

February 7, 2017

To the Pocopson Township Board of Supervisors:

I was asked by a group trying to preserve Crebilly Farm if I would reach out to you, the Township Supervisors, to see if Pocopson Township will seek Party Status at the first Conditional Use hearing on February 22nd? I have included a link below about Party Status that I was provided to share with you from the PA MPC.

[PA MPC Planning Series #7](#), page 15 talks about Parties and Standing

The township would have to be willing to present how the pending development will negatively impact its residents. It is apparent the Board cares enough about the residents to draft the resolution that was passed at your last meeting. I was wondering if you are planning on taking this next step on behalf of the residents?

I have been told that Thornbury Township will be seeking Party Status and other surrounding township residents from Birmingham, East Bradford, Pennsbury, Chadds Ford and Concord have been asked to request that their townships do the same. Based on this, as a township resident of Pocopson, I request that Pocopson Township apply for party status to try and mitigate the impact of Toll Brothers developing Crebilly Farm will have on Pocopson Township residents. Thank you for this consideration.

Scott K.
